Spring clean-up may put money in your pocket

When you improve the appearance of your home – whether it's mowing the lawn or painting the exterior – you're adding value to your neighborhood. And when everyone puts in some care, everyone profits. When the time comes for you to sell your home, a well-maintained neighborhood means you'll attract buyers, and your efforts will be rewarded. That's why Wells Branch MUD is dedicated to enforcing restrictive covenants throughout our neighborhood: We want to protect your investment in your home.

St. Patrick's Day concert and parade

Wear your green and come experience Celtic heritage with a complete marching pipe band with drummers at 7 p.m. March 17. March behind the Silver Thistle Pipes and Drums as they lead a parade through Wells Branch's Katherine Fleischer Park. The parade will end at the Wells Branch Community Center where guests will continue to be entertained by the band and can enjoy refreshments provided by the MUD.
